RELATIONSHIP WITH LAW ENFORCEMENT AGENCIES

The Association:

- a) Supports integration of the Developmentally Handicapped into the community and recognizes that all members of that community are subject to the same laws.
- b) Offers instruction and counselling so that the illegality of activities and the probable consequences of those activities can be recognized and appreciated.
- c) Supports law enforcement agencies in prevention and detection of unlawful activity.
- d) Will support and assist by lawful means those persons investigated for or charged with criminal activity with a view to enabling their proper representation and defence.
- e) Will co-operate with courts, probation and parole agencies in abiding by any sentence imposed.
